Practice Areas

Criminal Law

[Been charged with a crime?](#)

With over 15 years of experience, Quintal Law zealously defends the rights of people charged with an array of crimes ranging from assault to DUI, drug distribution to firearms charges and property crimes and retail fraud. We fight for our clients and provide answers and guidance to questions like these:

- Should I talk to the police?
- What about my Miranda rights?
- Do I get to tell my side of the story?
- The charges are false. Can I prove it?
- What are my specific alternatives?

Divorce Law

[Are You Considering Divorce?](#)

Attorney Kerri Quintal guides divorcing clients to make better decisions that can affect their lives far into the future. She has both the experience and sensitivity to help clients achieve resolution and develop equitable and beneficial plans for your finances, property and children.

- Effective negotiation
- Zealous representation
- Educates and guides clients
- Leverages statute and case law
- Quick resolution

Juvenile Law

[Has your teenager been arrested?](#)

Representing juvenile clients requires an attorney with patience, sensitivity and understanding of the unique challenges that young people face. These can include social, medical and mental health issue which can have bearing on a cases outcome. Quintal Law seeks justice for young people by:

- Listening to the whole story
- Explaining in clear language
- Working with other professionals
- Making sure the record stays clean
- Fighting for kids future
